**You CAN Join Coastal Federal Credit Union**

Coastal Federal Credit Union is a not-for-profit financial cooperative. That means we're a group of member owners who save and loan money to each other in order to gain powerful financial advantages. Our member families and communities benefit from the credit union difference too.

Our members consistently save more with higher dividends and borrow with lower lending rates than at other financial institutions. They experience the kind of personalized financial services that are hard to find among the growing cloud of commercial banks looking to increase profits in order to pay dividends to their share holders.

Coastal members also enjoy a full line of financial products and services that rival the best in the financial services industry. And credit unions like Coastal consistently rank higher than banks and thrifts in "customer satisfaction" year after year.

Contact us at **1-800-868-4262** or visit **[www.COASTAL24.com](http://www.COASTAL24.com)** for more information on how to join today!
