Your Missing Piece

Coastal's Home Equity Loan

Coastal's Home Equity Loan is the missing piece to debt consolidation, paying for education, home improvement, and more! Choose the right option for you with either a fixed rate or variable revolving line-of-credit. Stop by one of our convenient branch locations to learn more or apply online below. And don't forget to ask your tax advisor how you can deduct the interest from your taxes.

Features

Home equity is created in two ways: first, by making monthly payments toward your mortgage and second, through the value of your home as it appreciates. Equity is the difference between the market value of your home and any outstanding mortgage loan balance(s). Through this equity you can qualify for a Home Equity Loan.

- Variable or Fixed rate options to suit your needs.
- No closing costs if you take an initial advance of \$10,000*
- Interest you pay on the loan may be tax deductible. Consult your tax advisor.

Visit your local branch or visit www.COASTAL24.com for more information or to apply today!

*No Closing Costs if the initial advance is \$10,000 or more and the balance is maintained for at least 12 months. (Otherwise, closing costs could range from \$50.00 to \$450.00.) Property insurance is required.
